Hi, my name's Mark Ryder. I'm American and I live in San Francisco.
I work for a music company called MTC. I'm divorced and I have a daughter.
Last month, I went to England on a work trip and I met Ali.
She's British and she works for MTC in the UK.
We had a great five days. We went out for coffee, we went shopping.
It was my birthday and she bought me a present.
We went out for dinner. I really liked her and I think she liked me too.
I invited her to a conference in San Francisco and she said yes.
And now I'm at the airport. I'm waiting for her to arrive.
