Excuse me, miss. Stop right there, please.

Uh, hello, officer. Am I doing something wrong? I am just walking home from the grocery store.

We are investigating a robbery in this area. Where were you 10 minutes ago?

I was inside the supermarket. Look, here's my receipt.

Okay, I need to see your ID, please.

Sure. I am reaching into my bag for my wallet. Here is my ID.

Thank you. You match the description of the suspect, a green jacket and a black backpack.

Oh, wow. That is just a coincidence. I live two blocks away.

Let me verify your ID. Okay, you are clear. I apologize for the stop.

It is okay. I was just scared.

We have to check everyone who fits the description. Thank you for your cooperation.

I understand. Am I free to go now?

Yes, you are free to go. Have a safe walk home.
