Hi, are you Anna? Yes, that is me. Okay, heading to the airport, right? The airport? No, I am going to the train station. But the app says airport terminal 1. Oh, no, I put the wrong destination in the app. Can you change it on your phone? Let me try. Okay, updated. Do you see it? Yes, central station. It is 15 minutes away. Great. Sorry about that. No problem. Actually, I need to buy water. Can we make a quick stop? Sure, there is a shop on the way, but I can't wait long. Just 2 minutes, I promise. Thank you for waiting. We can go. We are almost there. Do you want the main entrance? The traffic is bad there. Where do you want to stop? Please drop me off right here. At the corner. Are you sure? It is a short walk. Yes, it is faster. Thank you. Okay, have a safe trip. Five stars for you. Bye. Do you talk to taxi drivers? Write below. Follow for more.
