How do I change the language on this ATM? Hello friend. Do you need help? The English button is right here. Oh, thank you. But please give me some space. It's okay. The machine is very slow. I can show you. Just type your PIN code first. Please step back. I don't need help. Give me some privacy. Relax. I am just trying to help a tourist. You are standing too close. If you don't step back, I will cancel the transaction. Fine, fine. You tourists are so rude. I am pressing cancel. I will find an ATM inside a bank. Have you ever met scammers?
