16. New question

Transcript

Tonight we are going to Merry and Bright at Martini Town, so let's go.
We are here for Martini Town's media night.
I am so excited that I was invited so I can show you guys around.
First stop, of course, we had to get some hot chocolate and I definitely did burn my whole mouth on it, but it's very good. We decided on pizza for dinner, so we're just waiting for that.
